This spacious four-bedroom, two-bath home offers both comfort and versatility complete with a new roof. A welcoming family room greets you upon entry, leading to an updated kitchen featuring stunning cabinetry, granite countertops, and also a convenient indoor laundry room. The home is filled with natural light, enhanced by four solar tubes, creating a bright and airy atmosphere. The master bedroom boasts two closets, a private bath, and sliding door access to the backyard. An additional bonus room provides extra space for a home office, playroom, or guest quarters. There is an ultimate outdoor covered space for entertaining and relaxation. Designed for year-round enjoyment, it features a fully equipped gas stove fireplace. Whether used as a bonus lounge or game-day gathering spot, this space offers endless possibilities. Ample room for seating, entertainment hookups, and access to water, gas, and electricity create a cozy yet functional atmosphere, ideal for hosting friends and family or unwinding in your own private getaway. The outdoor area is designed for easy upkeep with a low-maintenance yard on a drip irrigation system, while RV owners will appreciate the covered parking. This home is a must-see!
